

Title: Rank four one-sentence summaries of a provided audio clip for readability

Description: You will be given a 20-second audio clip and 4 different summaries of it composed by turkers. You will be asked to rank the summaries from most to least readable. There are no wrong answers. The task should take less than 3 minutes.

Reward: \$0.50

Duration: 5 minutes

HITs: 500

Your participation is voluntary. You may refuse to participate or may refuse to answer any question. You may stop at any time. In order for you to receive payment, you must complete the entire survey.

This survey is part of a research study about readable summaries of information. This research study was reviewed by the UNC Wilmington Institutional Review Board #21-0211.

This survey contains three prompts. **All good-faith responses will be accepted. This task does NOT use majority rules or comparison to determine acceptability.**

1. Please listen to the following 20-second audio clip, and then **rank the four provided one-sentence summaries of it written by turkers from most readable (top) to least readable (bottom):**

[audio clip]

[options]

2. Please rate how clear the instructions for this HIT were on the scale below.

[1: completely unclear]

[2: somewhat unclear]

[3: somewhat clear]

[4: completely clear]

3. Please rate how fair the reward for completing this HIT is on the scale below.

[1: completely unfair]

[2: somewhat unfair]

[3: somewhat fair]

[4: completely fair]

Thank you for completing this survey. Your response has been recorded.

Make sure to submit the following survey completion code in MTurk to receive credit for taking the survey:
