Title: 2–3 minute research survey

Description: Answer 3 brief questions (2–3 minutes)

Reward: \$2.00

Your participation is voluntary. You may refuse to participate or may refuse to answer any question. You may stop at any time. In order for you to receive payment, you must complete the entire survey.

This survey is part of a research study about readable summaries of information. This research study was reviewed by the UNC Wilmington Institutional Review Board #21-0211.

This survey contains three prompts. **All good-faith responses will be accepted. This task does NOT use majority rules or comparison to determine acceptability.** The first prompt asks you to summarize a provided 20-second video clip in one readable sentence. **Please be aware that all of your responses will be anonymous, but the summary you submit may be reprinted in later surveys to help focus the research study.** The second and third prompts ask questions about the survey itself.

1. Please write a readable one-sentence summary of the following 20-second video clip:

[video clip]

2. Please rate how clear the instructions for this HIT were on the scale below and provide one sentence that explains your rating.
